TO WHOM IT MAY CONCERN

Kenmuir Builders Ltd have been awarded the contract for building and refurbishment at our Centre on two occasions.

The first contract was carried out during term time and caused some disruption to our normal timetable. However, we found the building team extremely helpful and very amenable to changing their schedule to fit in with ours. They were careful and tidy and understanding of our need to keep the nursery school running with as little disruption as possible.

The most recent contract was carried out during the summer holidays in the nursery school. The children's centre remained open during this time and Kenmuir were again considerate to the needs of the staff and parents.

For each contract we have found their work to be excellent and of a very high standard.
