

TO WHOM IT MAY CONCERN

Dear Sirs

Kenmuir Builders Limited

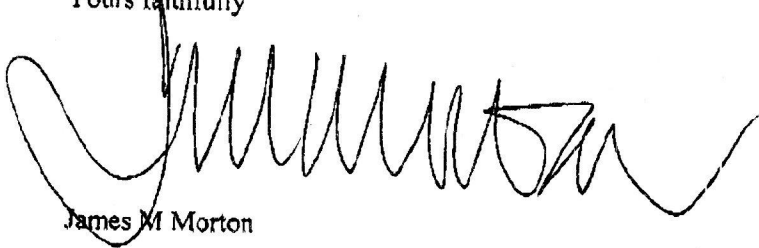

Kenmuir Builders were appointed, on our recommendation, to be the contractors on a project for Hilton Meats Limited at Huntingdon. The work comprised staff changing facilities, refurbishment of sanitary accommodation and hygiene rooms.

The work was very challenging as production continued throughout the contract.

The Kenmuir team coped excellently with the programming and conditions and produced a finished product with which the Client was delighted.

To that end I have no hesitation in recommending Kenmuir Builders as building contractors to any project they may be applying for and I wish them every success.

Yours faithfully
