## To whom it may concern

Dear Sirs,

Over several years Kenmuir have carried out work under our direction. Most recently they have completed a contract for the extension to Bliss Charity School in Nether Heyford. The value was just over £200,000. It is now in the defects liability period.

The contract was completed within the time limits set by the School. The workmanship was good and the contract well managed. The school is well satisfied with the outcome.

We would have no hesitation in inviting Kenmuir for future tender lists.

Yours faithfully,

**Maurice J Walton**
